Re: **C.E.R.F.**

Please let the School Library System (SLS) know by **September 14, 2007** if your district will be participating in the 50% Matching Grant Program Coordinated Cooperative Collection Development Co-Ser 503 purchasing access to C.E.R.F. (www.cerfinfo.com) for the 2007-2008 school year.

The cost per school is \$300 per school for an annual subscription, of which the SLS will pay half this year. The remaining cost to schools of \$150 is aidable through the CCCD 503 Co-Ser.

Please do not hesitate to contact me at any time at 335-1371, or brockj@dcmoboces.com
